

HISTORIC LISBON BY BEST EXPERIENCE LISBON

A CITY WHERE WORLD HISTORY WAS MADE

The word Lisboa comes from Olissipo, meaning safe harbour.

In Lisbon, we can find traces of the Neolithic and Roman Periods and of the Muslim presence.

This city is also a very meaningful part of the Age of Navigations, golden age of the Portuguese.

You can also understand the changes made by earthquake of 1755, which changed the configuration of the city, and the mixture that today we find among modern buildings and the Lisboa Pombalina.

WHAT TO EXPECT FROM THIS PROGRAMME?

With this programme you will have the opportunity to get to know the main historical and cultural landmarks of Lisbon:

- Belém, with all its monuments honouring the Portuguese discoveries.
- The Lisbon City Centre, with spots in Praça do Comércio, Rossio e Avenida da Liberdade.
- The main Lisbon neighbourhoods including Santos, Madragoa, Bairro Alto and Chiado.
- Parque das Nações, the most modern part of the city.

We also give you the possibility to have a fantastic and relaxing boat ride in the Tagus River, enjoying a different perspective of Lisbon while the sun sets down in the river.

What do you mean by “Best Experience Suggestions” for the end of the day, Top Restaurants and Lisbon night life?

Lisbon is a city full of life, where every day something new happens. On the other hand, we are proud “food lovers”, so we are keen to eat well and share our delicacies with our visitors.

Keeping in mind our aim in providing the best experience to our customers we give you, without any direct financial return, suggestions about where you can relax at end the day, restaurants we have tried and which, in our opinion, offer the best dining experiences and the best spots in the city for those who want to live in first-hand the Lisbon *movida*.
