

SINTRA, CABO DA ROCA E CASCAIS BY BEST EXPERIENCE LISBON

ROMANCE, MISTERY AND NATURE JUST OUTSIDE LISBON

Sintra, World Heritage of Unesco, is known as one of the most romantic places in Portugal.

The geographical location of this village and its many monuments, sheltered in the green hills of the mountain, transport us to an era of fascinating cultural and historical context.

This visit by the west of Lisbon also leads us to the westernmost point of mainland Portugal and the fishing village of Cascais, once safe haven of royal families and now a very popular holiday destination for local and foreign visitors

WHAT TO EXPECT FROM THIS PROGRAMME

This program will give you the opportunity to meet 3 of the most emblematic “must see spots” in the west side of the Lisbon region:

- Sintra, including the Village of Sintra, the Pena Palace, Palace Quinta da Regaleira, National Palace and not to forget, the local and tasty pastry.
- Cabo da Roca, the westernmost point of mainland Portugal known by its lighthouse and the large natural cliffs carved by the Atlantic Ocean.
- Cascais, with its traditional Portuguese architecture, the famous bay and its elitist and chic style.
- A drive by the Marginal, considered the best coastal road in Europe.

We also give you also the possibility to do a Lisbon by Night Tour (2-4 hours) where you can see the most beautiful monuments in Lisbon from a different perspective as the sun goes down and they are illuminated by the city night lights.

What do you mean by “Best Experience Suggestions” for the end of the day, Top Restaurants and Lisbon night life?

Lisbon is a city full of life, where every day something new happens. On the other hand, we are proud “food lovers”, so we are keen to eat well and share our delicacies with our visitors.

Keeping in mind our aim in providing the best experience to our customers we give you, without any direct financial return, suggestions about where you can relax at end the day, restaurants we have tried and which, in our opinion, offer the best dining experiences and the best spots in the city for those who want to live in first-hand the Lisbon *movida*.
